

FROM THE DESK OF THE EXECUTIVE DIRECTOR

Dear PFA Fellows,

As many of you already know, I soon will end my time as your Executive Director. My plan is to work through the end of the year. While departing is bitter-sweet, I leave with a heart full of gratitude for the opportunity I have had to serve and for the many people who make this organization such a strong force for advancing oral health and encouraging dental fellowship around the world.

Since I was promoted to Executive Director in 2013, the Academy has changed in some significant ways that have helped us to serve Fellows more efficiently, while streamlining and improving several key central office processes. Among these changes were the following:

- We effectively transitioned leadership from former Executive Director Judith Kozal, who along with her husband, the late Dr. Richard Kozal, many years ago truly revived PFA from a low point in our history into a thriving international dental honor organization.
- Eight PFA presidents came and went—each contributing to the advancement of the Academy in their own ways. It's been a privilege getting to know them and their families and working closely with those leaders on the issues of the day.
- During my tenure as Executive Director the Academy has built a two-year financial reserve and leveled up all aspects of our finances. This will provide stability and confidence for future leaders. Now, Sections can save a lot of effort by choosing to bill membership dues through the Central Office.
- All our international regions—those outside the United States—are now reunited with PFA, and I was thrilled to travel to connect personally with Fellows on five continents. The Fellowship growth potential recognized through these connections is inspiringly unlimited.
- The PFA Annual Meeting is now a major event that is open to all our Fellows, not just a set of business meetings for board members.
- PFA now is firmly in the digital age: our website provides a great wealth of information and enables Academy Fellows, internationally, to interact with our Central Office in more ways than ever. What's more, we save money and increase communication by using email to reach our Fellows.

Throughout this evolution, for me, the most important aspect of PFA has been our people. All the smart and caring individuals I have met and worked with throughout the world motivated me to work hard to ensure that we achieved each goal set out for us.

The fact is, I literally grew up with PFA, having attended meetings as a youngster with my parents, especially since my father, Dr. Gary Lowder, served as PFA president. I've always been

Loralie Lowder

enormously proud to serve this Academy and its leaders, who have taught me so much. In addition, the board members of the Oral Health Foundation have always been supportive and encouraging. Their long history with our organization offers us a deep well of wisdom. As for PFA's future, you're in good hands. Your next Executive Director, Bob Cattoi, is a seasoned association executive who is bound to take PFA to new levels of excellence.

Just as PFA has changed over these years, so have I—all for the better—and that experience will serve me well in the next phase of my career. I will always fondly remember the great many Fellows I have met, with appreciation for your dedication to our mission and high regard for each other. Will I miss taking overseas calls on Christmas Day? Yes, even that.

Until we meet again,

—LORALIE LOWDER,
*Executive Director of the Pierre
Fauchard Academy*

From the Desk of the PRESIDENT

Dr. Terry L. Brewick

Dear Fellows,
It has been my distinct honor to be your International President for the last 25 months. Many accomplishments have been achieved by the talented men and women on the Pierre Fauchard Academy Board of Trustees with whom I had the privilege of working. I would like to thank each and every one of them for their actions while we were together on the Board. With thanks to: Dr. Cheri S. Newman (Immediate Past President, Michigan, USA); Dr. Jerry Dushkin (President-elect, Canada; deceased); Dr. Armyl Bañez (Vice President and then President-elect, The Philippines); Dr. Hal E. Hale (recently elected as Vice-President and formerly Region 10 Trustee, Kansas, USA); Dr. Dan Castagna (Treasurer, California, USA); Dr. Paul O'Dwyer (Region 1 Trustee (Europe), Ireland); Dr. Ken Van Meter (Region 2 Trustee (NE USA), Vermont, USA); Dr. Cheryl Bradford Billingsley (Region 3 Trustee (SE USA), Virginia, USA); Dr. Ghabi Kaspo (Region 4 Trustee (Midwest USA), Michigan, USA); Dr. Denise Habjan (Region 5 Trustee (Western USA), California, USA); Dr. Lisa Bentley (Region 6 Trustee (Canada), Ontario, Canada); Dr. Luis Felipe Jimenez (Region 7 Trustee (Latin America), Chile); Dr. Deborah Cockrell (Region 8 Trustee (Australia), New South Wales); Dr. Myrna G. Bañez (Region 9 Trustee (Asia), The Philippines); Dr. Lucynda Raven (Region 10 Trustee replacing Dr. Hal E. Hale (Central USA), Kansas, USA); Dr. Pankaj Patel (Region 11 Trustee (Africa), Kenya); Ms. Loralie Lowder (outgoing Executive Director, Logan, Utah); and, Mr. Robert Cattoi (incoming Executive Director, Rockville, MD).

This is the Board that voted to install our first woman in the Pierre Fauchard Academy Hall of Fame. Dr. Lucy Hobbs Taylor of Ohio, Iowa and Kansas was the first female in the world to earn her DDS degree, graduating in 1866. She was a

teacher, dentist, and suffragette. Dr. Taylor may be the first woman in our Hall of Fame, but she certainly won't be our last. It was with a great sense of pride that we installed Dr. Taylor's plaque in our new Pierre Fauchard Academy Hall of Fame on August 20, 2021, in our new International Headquarters. Dr. Taylor's plaque will also be installed later this year in the Pierre Fauchard Academy Hall of Fame at the University of Maryland School of Dentistry in Baltimore, Maryland.

Our Board of Trustees demonstrated leadership and made unanimous decisions. When we met in March 2020 in Little Rock, Arkansas for the Academy's Mid-year Meeting just prior to the start of the Covid-19 pandemic, the Board voted unanimously to make three changes that have changed the course of our Academy. The first vote was a relocation of our Central Office in Logan, Utah, USA to our new International Headquarters in Rockville, MD. The second vote was the establishment of an additional Foundation for our Academy, the Pierre Fauchard Academy Leadership Academy. Finally, the Board voted to do a Capital Campaign to help fund the new PFA Leadership Foundation. Additionally, under the guidance of Trustee Cheryl Billingsley and her committee, the Board established a continuing educational seminar titled "Leadership in Turbulent Times." This gives Fellows an opportunity to receive 10 hours of free continuing educational credits. This program has been very well received and is a direct Fellow benefit.

While some very exciting events have happened while I have been President, sadly so have some devastating ones. On January 25, 2021, we lost Dr. Jerry Dushkin who was our President-elect and passed away after a brief illness. Dr. Dushkin is being honored posthumously as the incoming International President for a brief time on October 13, 2021. His wife Patti will receive Jerry's Past-President's medalion with the date of October 13, 2021. Dr. Dushkin's untimely death left a void in our

Academy. The Academy lost another outstanding Canadian Fellow, Dr. Barry Dolman, this Spring. Memorials to Drs. Dushkin and Dolman can be found in our new International Headquarters. The Academy lost another cherished member of our PFA family this year to COVID-19, Dr. Nira Patel an orthodontist from Kenya and wife of our Region 11 Trustee, Dr. Pankaj Patel. A commemorative plaque in memory of Nira and others lost to this devastating pandemic is displayed in the reception area of our new International Headquarters.

On August 20, 2021, PFA held its Ribbon Cutting Ceremony of our first brick

and mortar Headquarters. Our new Fauchard Room contains our new Hall of Fame, the '1936 Club' wall of donors, and many PFA artifacts. Included in these artifacts is a bronze statue of Pierre Fauchard, donated by Dr. Scott and Sheri Waugh. My favorite part of my Presidency was meeting Fellows all over the world. The warmth that I encountered was heartwarming. I would be totally remiss for not thanking my husband Rick Morales-Brewick who has been by my side in my journey through leadership in the Pierre Fauchard Academy. Thank you, Rick, I could not have done this without you. My

journey in PFA is not over. I look forward to serving you as Immediate Past-President next year and as an Officer of the Leadership Foundation.

I would like to congratulate Dr. Armyl Bañez, who will be installed as the International President of the Pierre Fauchard Academy and will lead our great Academy forward.

Again, thank you, it has been my pleasure serving the Academy.

Sincerely,

—TERRY L. BREWICK

Outgoing International President of the Pierre Fauchard Academy

THE PIERRE FAUCHARD ACADEMY LEADERSHIP FOUNDATION

These are changing times for our Academy. We just moved into our first brick and mortar, we have a new incoming executive director, and the new Pierre Fauchard Academy Leadership Foundation is officially up and running. Yes, the Pierre Fauchard Academy is making changes and the future looks bright.

As I introduce the newest arm of the Academy, I would like to share our history. The Pierre Fauchard Academy was founded in 1936 by Dr. Elmer S. Best. At that time, Dr. Best was concerned about the proprietary nature of many dental publications. He wanted to gain control of professional literature and assure independence from commercial interests. Dental Abstract magazine, that all Fellows receive, is the result of that desire. This ideal remains in the forefront of the Acad-

emy. In 1995, through a generous gift from Dr. Bennes Espinach of Costa Rica, the Oral Health Foundation of the Pierre Fauchard Academy was set up. This Foundation promotes the advancement of oral healthcare globally through grants and student scholarships.

Fast forward to 2020, and the Pierre Fauchard Academy Leadership Foundation was formed. With a totally different purpose, our mission is to provide enhanced leadership training and educational benefits. Our vision is to be recognized as the most respected educator in leadership development. We have already begun this training through our online series, titled "Leadership in Turbulent Times." There are 10 modules to complete, after which you will receive 10 CE credits. This is an excellent series so please take advan-

tage of this direct member benefit. The Leadership Foundation has also helped to fund the website updates that are in the works as well as new exciting programs that are on the horizon. Unlike the Oral Health Foundation, the Leadership Foundation has not begun with a donated sum of money, therefore we will be kicking off a capital campaign soon. Plan on joining our "1936 Club". For your donation of \$1,936 (USD), your name will be displayed on the wall at our new International Headquarters in Rockville, MD. Of course, all donations are welcome! We thank you in advance for your support.

Sincerely,

—CHERI NEWMAN

President of the Pierre Fauchard Academy Leadership Foundation

Capitol Campaign for the PFA Leadership Foundation

Eighty-five years after the Pierre Fauchard Academy was created, our Academy has moved into the new ACD Headquarters in Rockville, Maryland. We are ecstatic to develop a permanent residence where Fellows from across the Globe can visit and enjoy a historical perspective of their Fellowship. To help fund our activities, we have created 4 tiers of donorship for our Capitol Campaign. These are as follows:

Tier 1 – The 1936 Club is reserved for dental leaders who see the value in preserving the history of the Pierre Fauchard Academy. To join the exclusive 1936 Club, donors can make a \$1,936 (USD) donation in one lump sum or as 4 payments of \$500 over 4 years. Members of this prestigious Club will have their names promi-

nently displayed on a reserved wall at our new PFA headquarters, will be listed in the 1936 Blue book, on our website and in Dental World and will receive a gold recognition pin.

Tier 2 – A donation of \$580, representing the total square footage we are leasing in Rockville. Donors will be listed in the 580 blue book.

Tier 3 – A donation of \$89, honoring the 89 countries we represent. Donors will be listed in the 89 Blue Book.

Tier 4 – A donation of \$20, representing the number of Trustees, Officers, and employees of PFA. Donors will be listed in the 20 Blue Book.

Giving at any level will be most appreciated by the Pierre Fauchard Academy and our Leadership Foundation. If every

Fellow could donate \$20, the Leadership Foundation will be able to continue providing excellent initiatives like the Leadership Continuing Educational series available on our website, and the advanced training for Section Chairs to bring comprehensive learning to all Sections. Currently the Leadership Foundation has its 501(3)(c) status in the United States and is working on obtaining tax exempt status in other countries. Please give as you can. The Pierre Fauchard Academy and the PFA Leadership Foundation genuinely appreciate your generosity. Thank you.

Respectfully,

—DR. LISA BENTLEY

Fundraising Chair of the Pierre Fauchard Academy Leadership Foundation

MEET OUR NEW INTERNATIONAL HEADQUARTERS

It is with great excitement that I write this article regarding our new International Headquarters. What started as a pipe dream is now a reality. An important fact to note is that the building is owned by the American College of Dentists Foundation and both the American College of Dentists, and the Pierre Fauchard Academy are renting space. Before negotiating the contract with the American College of Dentists Foundation a site visit was conducted by Dr. Jerry Dushkin, Dr. Cheryl Billingsley and her husband John, Executive Director Loralie Lowder, and myself. We all agreed this move would be in the best long-term interest of our great Academy. The building was purchased by 3 Fellows of the American College of Dentists: Dr. Patricia Blanton (a recipient of the Fauchard Gold Medal Award), Dr. Jerry Miller and a Fellow who wished to remain anonymous. The build-

ing was renovated from top to bottom, including a new roof, new siding, Charleston green shutters along with new windows, new carpeting, and wall coverings. The outside has been professionally landscaped.

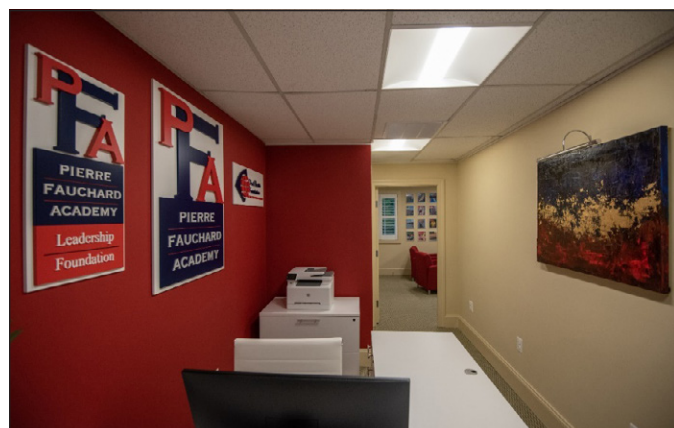

Our Trustee Dr Cheryl Billingsley, outgoing Executive Director Loralie Lowder, incoming Executive Director Bob Cattoi and I jointly worked on our space, which we all agreed should contain blue, white, and red to represent the brand of our Academy. This was accomplished by having all the hard-surface furniture be in a white lacquer effect. The other furniture includes two red armchairs in the Executive Director's office and matching blue love seats in the Fauchard room. Accent walls have been painted in red and blue, with white plantation shutters, complimenting the color scheme. The primary office has 3 main rooms, while the Academy also has access to

three conference rooms, a mailing and packaging room, a full kitchen and three bathrooms. There is an adjacent parking lot with spaces for 15 cars.

Within our primary office, the reception room has a main desk and a file cabinet with a white leather chair. It boasts a replica of our Academy logo flanked by the logos of our two Foundations: the Pierre Fauchard Academy Leadership Foundation and the Oral Health Foundation of the Pierre Fauchard Academy. The Academy's gratitude must be extended to incoming Executive Director Mr. Bob Cattoi who found a company in Cincinnati to fabricate these large signs, then drove to Cincinnati to personally pick them up and arranged to have them hung in the reception space. On the opposing wall is an original oil painting created by Dr. Cheryl Billingsley in blue, gold, and red to represent

The reception room in our new international headquarters.

The reception room with the three logos and on the opposite wall the painting donated by Dr. Cheryl Billingsley.

Our new Hall of Fame within our space.

The Fauchard Room and the 1936 Club wall.

a flattened view of the world and to be representative of the French flag. Thank you to Dr. Billingsley for your generosity in donating this painting and the crystal chandelier in the Fauchard room.

The reception room also has a blue fabric-covered bench above which is a plaque for Dr. Nita Patel from Kenya. Dr. Patel lost her life to COVID-19 in a three-day period. She represents the many lives lost that were part of our PFA family. Future plaques will include a list of all Past Presidents of the Academy, photographs of our Executive Directors and photographs with names of the Board of Trustees that voted to take this monumental step in achieving our first brick and mortar International Headquarters. Tributes to Drs. Jerry Dushkin and Barry Dolman, both from Canada, will reside in this room.

The second and most important of the three rooms is the Fauchard room. It is in this room that our additional Pierre Fauchard Hall of Fame is located. The original Hall of Fame is still located at

the University of Maryland Dental School in Baltimore, near the Dean's office, and may have to be removed in upcoming years because of renovation. Our Trustees thought it best to be prepared and voted to have a Hall of Fame located within our space. This would also allow more Fellows to enjoy the Hall of Fame with ease if they are visiting the D.C. area. Our new address, 103 North Adams, is just three blocks from the Cambria Hotel which in turn is only a four block walk from the Metro that connects the three major airports near Washington D.C. to Rockville and our new International Headquarters.

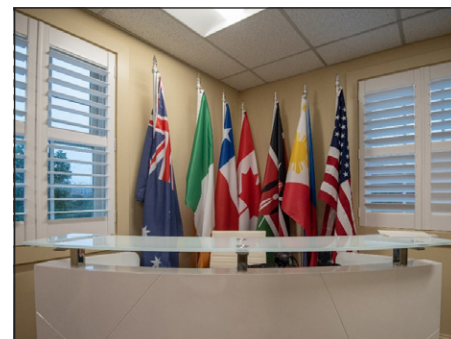

The Fauchard Room also houses the wall containing the names of the Fellows and Sections participating in the 1936 Club. On the same wall, there are two white file cabinets that have 4 special blue leather books on them. These books will contain the names of the 1936 donors and for donors giving \$596, \$89, and \$20. Giving to our Capital Campaign drive at any level is very much appreciated by the Academy. Between these white filing cabi-

nets is a 24" lighted globe representing our PFA Fellows from around the world. This was Dental World Editor Dr. Fiona Collins' idea. Flags representing the countries that the Officers and Board of Trustees are from are housed on the wall opposite the globe. These flags will be used on stage as a backdrop for our Annual Meetings.

A list of the Fauchard Gold Medal Award winners and the Elmer S. Best Award winners can be found between the two shuttered windows. The name plates are silver in color, housed on beautiful blue leucite frames. My thank you to our outgoing Executive Director Loralie Lowder for finding the company that makes these frames. There are two blue love seats that straddle a white-layered oval coffee table which is positioned under the crystal chandelier. A white half-round desk sits in front of the flags and will be an additional workstation for a third Academy employee in the future. Names of the Trade and Industry Award winners and a list of Presidential Award winners backed in blue leucite will also be in this

Attendees at our ribbon cutting ceremony, seated in our library area.

Flags representing the countries of the Officers and Board of Trustees, displayed in the Fauchard Room.

Dr. Ghabi Kaspo (Trustee for Region 4) together with Dr. Cheri Newman (Immediate Past President of the Pierre Fauchard Academy), flanked by the Hall of Fame and the globe in front of the 1936 Club wall.

Attendees at the ribbon cutting ceremony, front of our new international headquarters.

room. It is anticipated that the Fauchard Room will be utilized by our Executive Director to greet Fellows from around the world. The third room is the Executive Director's private office, with white furniture and the only blue wall. Located on this blue wall are two crystal wall lights, representing a sign of good fortune. The

wall between the white shuttered windows in this room holds 16 framed covers of Dental Abstracts, the official publication of our Academy. Two red armchairs compliment this room.

Our ribbon cutting ceremony was held on August 20, 2021. I hope you

have enjoyed this written tour of our new Headquarters. There is a guided tour on our website. Please visit the International Headquarters if you are in the D.C. area.

Sincerely,

—DR. TERRY BREWICK

HONORARY FELLOWSHIP AWARDED TO MS. LORALIE LOWDER

Honorary Fellowship in this Academy is awarded to an individual who has made a valuable contribution to the Academy. It goes without saying that Loralie has done just that. For the past 9 years, Loralie has dedicated herself to moving this Academy forward and she has done a terrific job. Most of her accomplishments have been behind the scenes with little recognition, but her commitment and love for the Academy is well known. She was the glue that held it together and the kind and caring voice at the other end of the phone. A well-deserved honor for a wonderful person. Congratulations, Loralie.

SECTION NEWS

Canada

Dr. Anthony Iacopino, recipient of the PFA Distinguished Dentist Citation

Dr. Lisa Bentley (PFA Trustee for Canada)

In May 2021 PFA Canada held its first Ever virtual Installation and Awards Ceremony. The event was dedicated to the memory of Dr. Jerry Dushkin, PFA President-elect and Dr. Barry Dolman, PFA Canadian Chair. After a slide show tribute to the two great Canadian PFA leaders, Dr. Sam Sgro, Quebec Chair, delivered a passionate speech about his involvement in organized dentistry with Barry and Jerry, his friends and colleagues. PFA International President, Dr. Terry Brewick (then International President) described fond memories of Barry and Jerry, and extended his deepest condolences to their families. On August 21, a tribute to both Canada and Jerry Dushkin was held in Rockville Maryland, in conjunction with the Ribbon-cutting Ceremony celebrating the new PFA International Headquarters. Dr. Nancy Auyeung, our Western Provinces Chair, had the honor of presenting the PFA Distinguished Dentist Citation. This was awarded to Dr. Anthony Iacopino, who has dedicated his entire career to creating cultures of sophisticated research and leading change in four dental schools within Canada and the United States. Dr. Trista Felty and Dr. Linda Blakey honored the contributions of their predecessors, Dr. David Zaporinuk and Dr. Al Dean.

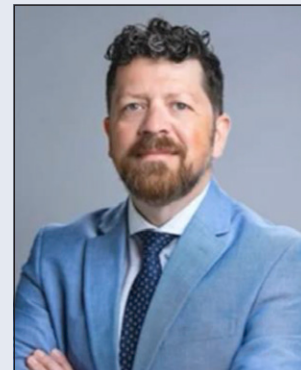

Twenty-four new Fellows were inducted into the Pierre Fauchard Acad-

emy virtually, and Dr. Lisa Bentley (Trustee for Canada) led the new Fellows through the official Pledge. Congratulations to Dr. Jonathan Archer (Winnipeg, Manitoba), Dr. Anil Bhalla (Hamilton, Ontario), Dr. Dimple Bhatia (Uxbridge, Ontario), Dr. Michelle Budd (Ingersoll, Ontario), Dr. Ed Busvek (St. Thomas, Ontario), Dr. George Christodoulou (Toronto, Ontario), Dr. Rony Dagher (Mississauga, Ontario), Dr. Anwar Dean (London, Ontario), Dr. Domenic Delle Donne (Mississauga, Ontario), Dr. Mark Ecler (Mississauga, Ontario), Dr. Tarek El Sayegh (Waterloo, Ontario), Dr. Micaela Fitzgerald (Ottawa, Ontario), Dr. Tana Gilmartin (Winnipeg, Manitoba), Dr. Sven Grail (Toronto, Ontario), Dr. Helene Grubisa (Oakville, Ontario), Dr. Abinash Kaur (Toronto, Ontario), Dr. Chrissy Kokonas (Newmarket, Ontario), Dr. Tenna Reeve (Winnipeg, Manitoba), Dr. Robert Schroth (Winnipeg, Manitoba), Dr. Jacqueline Sieber (Kitchener, Ontario), Dr. Shawn Steele (Ingersoll, Ontario), Dr. Chris Swayze (Toronto, Ontario), Dr. Emily Trohatos (Toronto, Ontario) and Dr. Barry White (Guelph, Ontario).

The 2020 Recipient of Honourary Fellowship into the Canadian PFA was Monique Bouchard, who works for the Canadian Dental Association. Miss Bouchard was instrumental in organizing the Annual Student Scholarships for our

Canada continued

Mr. Kevin Desjardins, 2021 recipient of Honourary Fellowship into PFA Canada

Dr. Howard Mark, President of the Oral Health Foundation of the Pierre Fauchard Academy

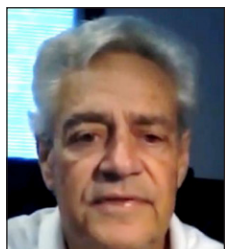

Academy. The 2021 Recipient of Honourary Fellowship was Mr. Kevin Desjardins for his exceptional work for the Canadian Dental Association. Dr. Howard Mark, President of the Oral Health Foundation of the Pierre Fauchard Academy, joined our virtual event from his home in Florida. Dr. Mark extended his deepest condolences on the loss of Dr. Barry Dolman and Dr. Jerry Dushkin. Each year, the Oral Health Foundation provides scholarships for a student at each of the 10 Canadian Faculties of Dentistry. Dr. Dolman's last PFA business was to donate \$10,000 back to the Oral Health Foundation. Dr. Lisa Bentley had the privilege of attending the Student Competition for Advancing Dental Research and its Application (SCADA) event, to present a \$1000 Scholarship to each of the third-year dental students representing their universities in the competition held by the Canadian Dental Association together with Dentsply Sirona. This event had been Dr.

Barry Dolman's favorite duty as Canadian Chair. Dr. Nancy Auyeung presented a \$10,000 Cheque to the Manitoba Dental Foundation, which was established in 2015 with a vision to improve the oral health of the underserved of all ages in Manitoba. Dr. Frank Hechter thanked the Canadian Region of the Pierre Fauchard Academy for its generous donation during a time when fundraising is difficult.

To honor Dr. Barry Dolman and Dr. Jerry Dushkin, the Canadian Region of the Pierre Fauchard Academy has established two Leadership Scholarships. Each scholarship will award \$1,000 to a dental student who exhibits exceptional leadership skills, one at the University of Montreal in memory of Barry and the second one at McGill University in memory of Jerry. May their legacies live on. Dr. Sam Sgro, (Section Chair for Quebec) presented a cheque for \$7500 to the University of Montreal to establish Dr. Dolman's memorial scholarship.

The 1936 CLUB

In 1936, a group of disenfranchised Fellows, led by Dr. Elmer Best of Minnesota, left the American College of Dentists to create the Pierre Fauchard Academy. To join the exclusive 1936 Club and obtain a special wall plaque, a donation of \$1936 is made to the Leadership Foundation. The Canadian Pierre Fauchard Academy is very proud that Canada boasts five 1936 Club plaques to date. Dr. Jerry Dushkin and Dr. Lisa Bentley made personal donations. PFA Canada made 2 donations in honor of Dr. Kevin Roach, Past PFA International President and Dr. Barry Dolman. The Ontario Section of the American College of Dentists purchased

Dr. Frank Hechter, Executive Director of the Manitoba Dental Foundation

a plaque to honor Dr. Barry Dolman and Dr. Jerry Dushkin. PFA Canada would like to extend a special thank you to the ACD Ontario Leadership Chairperson, Dr. Larry Tenaschuk, as well as his colleagues Dr. Wayne Pulver (Past Chairperson), Dr. Paul Romanson (Vice Chairperson), Dr. Brenda Thomson (Education Chair), Dr. Bonnie Chandler (Treasurer), and

Dr. Sonia Slawuta (Secretary and Editor). Your generosity and kind gesture will not be forgotten.

PFA Canada dedicates this report to our Jerry and Barry.

Sincerely,

—DR. LISA BENTLEY
Trustee for Canada

SAVE THE DATE

The joint Pierre Fauchard Academy-American College of Dentists Continuing Education Conference will be held on March 31 to April 2, 2022, at the Biltmore Estate in Asheville, North Carolina. Topics include 'Syndromic Surveillance for Emerging Infectious Disease Threats', 'Public Health Responses (both state and local) Beyond the Pandemic', Special Topics for PFA Section Chairs and ACD SPEA Leaders.'

Please join us to reinvigorate and reconnect with Fellows and colleagues.

MISSION

Our mission as Fellows in the Pierre Fauchard academy is to recognize and develop outstanding leadership in our profession, internationally.
