What's Next?

Submitting this form sends it to the International Office where the reviewing process begins, it is then forwarded to your nominee's Section Chair where the Section Credentials Committee will complete the review focusing on identifying worthy achievements, past and potential future leadership and meritorious service to the profession, community and society.

The Section Chair is responsible for inviting an approved nominee to be inducted at the Sections Induction Ceremony or may alternatively invite them to be inducted at a Regional Induction or International Induction Ceremony that may be held concurrently with a large dental meeting i.e. ADA, CDA, FDI, IDS, GNYDM, Chicago Midwinter Meeting, APDC, etc.

When you take the time to extend an honor to a deserving dentist you can extend that honor by being present at their induction ceremony.
