PFA INDIA SECTION REPORT

APRIL 2026 TO JUNE 2026

PFA India Section Dental Webinar
"AI in Your Hands: The Smart Dental Practice"
 From Chairside to Clicks – Artificial Intelligence Working for Every Clinician, Every Day.

Artificial Intelligence is no longer a futuristic concept – it is already transforming dental diagnosis, treatment planning, documentation, research, and practice marketing in measurable, evidence-backed ways. Yet the majority of practicing dental clinicians in India remain unaware of the practical, accessible, and free AI tools that are available today. This webinar bridges that gap. Designed exclusively for clinical dental practitioners, it delivers an immediately actionable, jargon-free 60-minute program.

21 APRIL 2026 TUESDAY
10:30-11:30 AM

SPEAKER:
Dr. AJAY KUBAVAT
 Professor and Head Orthodontics, IPDCH, Kankarbhawan Post University, India
